

David M. Condon

Department of Psychology
University of Oregon
1227 University Street
Eugene, OR 97403

Email: [dcondon at uoregon dot edu](mailto:dcondon@uoregon.edu)
Homepage: <https://www.sapa-project.org/dmc/>
Google Scholar: <https://goo.gl/txb7zj>
CV date: November 21, 2019

1 Education

Ph.D., Psychology (Personality), Northwestern University, 2014

Committee: William Revelle, Ph.D. (chair) & Dan Mroczek, Ph.D. & David Uttal, Ph.D.

Dissertation: An organizational framework for the psychological individual differences: Integrating the affective, cognitive, and conative domains

M.S., Psychology (Personality), Northwestern University, 2012

Committee: William Revelle, Ph.D. & David Uttal, Ph.D. & Robin Nusslock, Ph.D.

Thesis: The International Cognitive Ability Resource: Development and initial validation of a public-domain measure

Post-baccalaureate Degree, Clinical Psychology, Northwestern University, School of Professional Studies, 2008

MBA, Entrepreneurship & Strategy, Booth School of Business, University of Chicago, 2002

AB, English (*cum laude*), Duke University, 1996

2 Academic Appointments

University of Oregon

College of Arts & Sciences

Department of Psychology

Assistant Professor (January 2019 — present)

Northwestern University

Feinberg School of Medicine

Department of Medical Social Sciences

Assistant Professor (September 2015 — December 2018)

Instructor (September 2014 — August 2015)

3 Service, Affiliations, & Honors

— NIH *All of Us* (Precision Medicine Initiative) Participant Provided Information Advisory Committee Member

— Member of the University of Oregon Senate Library Committee

— Chair of the University of Oregon Senate Subcommittee on Open Access

— Faculty Member on the Committee for an Inclusive Community in the UO Dept of Psychology

— Chair of Fundraising and Steering Committee Member for *PsyArXiv*, an open-access preprint service for psychological science

— Lead author of two FDA submissions for approval of Clinical Outcome Assessment Drug Development Tools

— Chair of the Technical Expert Panel for development of a public-domain measure of Patient Engagement on behalf of PCPI and the American Heart Association

- Chair of the Funding Committee for the Society for the Improvement of Psychological Science (SIPS)
- Finalist for the NIH Director’s Early Independence Award
- Member of several scientific research organizations including: the Association for Research in Personality (ARP); the European Association for Personality Psychology; the International Society for the Study of Individual Differences (ISSID); and the Society for Personality and Social Psychology (SPSP); the HiTOP Consortium (the Hierarchical Taxonomy of Psychopathology)

4 Editorial & Manuscript Review Responsibilities

1. Personality Processes section editor for *Social and Personality Psychology Compass*
2. Editor of a joint special issue (2020) for the *European Journal of Personality* and the *European Journal of Psychological Assessment*
3. Ad-hoc reviewer:

Australian Journal of Psychology
Current Directions in Psychological Science
Collabra: Psychology
European Journal of Personality
Evolution and Human Behavior
Journal of Experimental Psychology
Journal of Open Psychology Data
Journal of Personality
Journal of Personality Assessment
Journal of Personality and Social Psychology
Journal of Research in Personality
Personality and Individual Differences
Psychological Assessment
Psychological Bulletin
Social Psychological and Personality Science
Trauma & Dissociation

5 Grant Awards

5.1 Current Funding

Condon, D. M., Gershon, R., Mangravite, L., Rentz, D., & Weiner, M. (mPIs). Sep 2018 – Aug 2023.

NIA (U2C AG060426-01)

Title: *The Mobile Toolbox for Monitoring Cognitive Function*

5.2 Completed Funding

Condon, D. M. (PI), Parrish, T. B., & Zabelina, D. L. July 2015 – June 2017.

The Imagination Institute (supported by the John Templeton Foundation)

Title: *The Four-Factor Imagination Theory (4FIT): Development & Neuroimaging Validation of a Novel Measure*

Revelle, W. & **Condon, D. M.** (co-PIs). April 2014 – February 2018.

Open Research Area Plus for the Social Sciences (National Science Foundation)

Title: *The International Cognitive Ability Resource*

6 Invited Lectures & Workshops

Condon, D. M. & Möttus, R. (2019, March). An information theory perspective on individual differences research: Assessing many and more molecular personality traits. Invited presentation at an Experts Meeting on *Measuring and Modeling Persons and Situations* hosted by the Army Research Institute, Alexandria, Virginia.

Möttus, R., **Condon, D. M.**, Wood, D., Epskamp, S. (2018, September). Organization of an Experts Meeting Sponsored by the European Association for Personality Psychology. *New approaches towards conceptualizing and assessing personality*. Edinburgh, UK.

Condon, D. M. (2018, October). *I wonder what's down this road? Renewing the call for exploratory research in personality assessment through collaboration*. Invited presentation to the Social/Personality Brownbag at the University of Illinois, Champaign, IL.

Condon, D. M. (2018, July). *Broad, narrow, and criterion-specific approaches to individual differences assessment for health-related outcomes*. Personality and Healthy Aging Workshop at the URPP Dynamics of Healthy Aging Meeting, Zurich, Switzerland.

Condon, D. M. (2018, June). *On the relations between personality and health outcomes*. Invited presentation to Verily Health and Google, San Francisco, CA.

Revelle, W., **Condon, D. M.**, & Weston, S. J. (2018, May). *Introduction to R Statistical System*. Invited workshop sponsored by the Society for Multivariate Experimental Psychology, presented at the 30th annual convention for the Association for Psychological Science, San Francisco, CA.

Condon, D. M. (2018, March). *Prediction and structure: A data scientific approach to personality psychology*. Invited presentation to the Psychology Department at the University of Oregon, Eugene, OR.

Revelle, W. R., & **Condon, D. M.** (2017, July). *Using MMCAR to explore the structure of personality and ability*. Invited Symposium at the International Meeting of the Psychometric Society in Zurich, Switzerland.

Condon, D. M. (2017, July). *The times they are a-changin? (in personality assessment)*. Invited Symposium at the 14th European Conference on Psychological Assessment in Lisbon, Portugal.

Condon, D. M. (2017, June). *Preparing and Curating Data for Sharing*. Invited workshop at the Society for the Improvement of Psychological Science, Charlottesville, VA.

Revelle, W., **Condon, D. M.**, & Weston, S. J. (2017, May). *Introduction to R Statistical System*. Invited workshop sponsored by the Society for Multivariate Experimental Psychology, presented at the 29th annual convention for the Association for Psychological Science, Boston, MA.

Revelle, W., **Condon, D. M.**, & Weston, S. J. (2016, May). *Introduction to R Statistical System*. Invited workshop sponsored by the Society for Multivariate Experimental Psychology, presented at the 28th annual convention for the Association for Psychological Science, Chicago, IL.

Condon, D. M. (2016, March). *Personality Segmentation: Modern Methods, Better Measures, and More Predictive Models*. Invited presentation to United Healthcare and Optum working groups on population segmentation by personality, Edina, MN.

Condon, D. M. (2016, January). *Translating Open Science into Daily Practice*. Invited professional development session at the 17th annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

Condon, D. M. (2015, October). *Ability, Temperament, and Interests*. Invited presentation to the Board of Trustees at Johnson O'Connor Research Foundation, Chicago, IL.

Condon, D. M. (2015, June). *Making Your Data Reproducible: An Overview of "Why" and Suggestions About*

“How”. Invited Presidential Symposium at the biennial meeting of the Association for Research in Personality, St. Louis, MO.

Revelle, W., **Condon, D. M.**, & Weston, S. J. (2015, May). *Introduction to R Statistical System*. Invited workshop sponsored by the Society for Multivariate Experimental Psychology, presented at the 27th annual convention for the Association for Psychological Science, New York, NY.

Condon, D. M. (2014, April). *Towards an integrated framework of individual differences: Improving predictive utility with cross-domain assessment*. Invited presentation to the Psychological and Brain Sciences Department at Washington University, St. Louis, MO.

7 Publications & Scholarly Work

7.1 Peer-Reviewed Investigations

Condon, D. M., Chapman, R., Shaunfield, S., Beaumont, J. L., Kallen, M. A., Eek, D., Mitra, D., Benjamin, K. L., McQuarrie, K., Liu, J., Shaw, J. W., Nguyen, A. M., Cella, D. (in press). Does recall period matter? Comparing PROMIS® physical function with no recall, 24-hour recall, and 7-day recall. *Quality of Life Research*.

Zabelina, D. L., & **Condon, D. M.** (in press). The Four-Factor Imagination Scale (FFIS): A measure for assessing frequency, complexity, emotional valence, and directedness of imagination. *Psychological Research*.

Revelle, W. R. & **Condon, D. M.** (2019). Reliability from α to ω . *Psychological Assessment*. <https://dx.doi.org/10.1037/pas0000754>

Cella, D., Choi, S., **Condon, D. M.**, Schalet, B. D., Beaumont, J., Hays, R., Rothrock, N., Yount, S., Amtmann, D., DeWalt, D., Fries, J. F., Pilkonis, P., Stone, A. A., Weinfurt, K., Cook, K., Gershon, R., Wilder-Smith, A., Witter, J., Riley, W. (2019). PROMIS® Adult Health Profiles: Efficient short-form measures of seven health domains. *Value in Health*, 22(5):537-544. <https://doi.org/10.1016/j.jval.2019.02.004>
